SPORTS TRAINER POSITIONS 2013

Parkside Football Club would like to invite applications for any prospective Sports Trainers to work with our club in Season 2013.

Affiliated with the Western Region Football League Parkside offer a unique opportunity for the right individual to play an integral role within our Senior Football Operations Team. Any trainer can develop and extend their skills in this professional environment.

Trainers Duties Include but not limited to:

- Injury Management
- Player Preparation Pre-Game
- Players Management Post Game
- Co-Ordination of Medical Equipment
- Massage

Time Required:

- Tuesday and/or Thursday Training Sessions
- Saturday Match Days

We offer a fully flexible roster in co-ordination with all Medical Staff.

This is a paid part time position; applicants with experience as well as those who are interested in becoming involved and are prepared to undergo professional Sports Trainer Training Course [funded by the club] should apply.

This is a great opportunity for someone looking to enter into a great club and gain experience. Our club Medical Manager is current AFL Trainer who can offer guidance and assistance with on the job training.

Please forward expressions of interest to parksidesportstrainers@live.com.au

Please include all contact details so our staff can make immediate contact with you to arrange a meeting.
